

Williston Optometry and Dr. Thomas H Clark's office:
Per state notice our office will be closed until at least
April 6th.

You will still be able to reach us by calling our office number 802-862-1947 or sending us an e-mail to : thomashclarkod@gmail.com. We are checking messages several times throughout the day.

We will still be able to help you with any urgent eye care needs you may have, such as eye infections, eye injuries, loss of vision etc. Please call 802-862-1947 and we will schedule you with the ophthalmology at the hospital. If you are in an emergency situation you may call UVM Medical Center Ophthalmology directly at 802-847-0400.

If you have eyeglasses on order we will be able to arrange pickup outside our office building on a by appointment schedule. We will not be able to make any adjustments to the frame, but ask that you return to our office after we re-open (date unknown at this time, per state order). Please call 802-862-1947 to schedule. For eyeglass repairs, we can schedule curbside drop off and pick up as well, call 802-862-1947. These appointments will be on Tuesdays and Thursdays from 12 noon until 4 pm.

We are offering to extend contact lens prescriptions by 6 months for current patients. If you are in need of contact lenses, please call us 802-862-1947, so we can place the order for you and have them shipped directly to your home.

Please Know that as always we are here to help you. If you need special assistance or have questions about your specific situation please feel free to call us. We will still be answering our phones and doing everything possible to help you with any and all needs.
